Define Transaction Codes
You can select up to 5 transaction codes. Transaction codes are additional fields on each transaction that allow you to further categorize information for use in reporting and in closing fiscal years. These transaction codes can be required on each transaction and you can choose to balance transactions by each code.

	Description
Transaction Codes 1	Mission ~ 1322
Transaction Codes 2	Spendable/Non-Spendable ~ 1324
Transaction Codes 3	Performance ~ 1326
